Sir:

Further to applicant's submission dated July 6, 2007, applicants are hereby submitting this additional disclosure information.

Additional Disclosure Information

In the parent to this application (serial No. 10/424,356), the Examiner has alleged that the Sherwood reference which was sworn behind in the 131 declaration filed in the instant application has an earlier publication date than June of 2003. Applicant had contacted Mr. Sherwood, the author of that publication, to determine if the earlier alleged date was accurate, and, as shown in the file history of the parent application, the author indicated that the correct publication date is June of 2003. However, in the final Office action issued in the parent application on May 16, 2007, the Examiner alleged that

other evidence supports a publication date in June of 2002. The applicant believes the Examiner of the parent application is mistaken.

To demonstrate the basis of the applicant's belief, the undersigned submitted a declaration in the parent application explaining the research conducted into the actual publication dates of Sherwood. For the convenience of the Examiner, a copy of that declaration and its exhibits are submitted herewith.

In view of the foregoing, it is respectfully submitted that all pending claims are in condition for allowance.

If the Examiner is of the opinion that a telephone conference would expedite the prosecution of this case, the Examiner is invited to contact the undersigned at the number identified below.

Respectfully submitted,
